

IBD Registry Bibliography

The IBD Registry: a patient management system to improve practice

C Munro - Gastrointestinal Nursing, 2014

PTH-052 how the new inflammatory bowel disease registry and patient management system (IBD-R/PMS) has help define the future of our district general IBD service

MW Johnson, K Lithgo, T Price - Gut, 2014

PTU-097 The Benefits Of Using Faecal Calprotectin As A Monitoring Tool To Assess Inflammatory Bowel Disease And Pre-emptively Upregulate Treatment In ...

K Bundhoo, A Aravinthan, T Price, K Lithgo, M Johnson - Gut, 2014

PWE-053 Development of data linkage techniques to support the UK IBD registry: making the most of routine NHS datasets

K Bodger, M Shawihdi, M Pearson, R Driscoll, F Cummings, S Bloom - Gut, 2015

PWE-062 The outcomes and benefits of moving stable inflammatory bowel disease patients from a paper based self management system to an supported, self help ...

T Price, K Lithgo, MW Johnson - Gut, 2015

PWE-063 Local experience of using tacrolimus as rescue therapy in resistant IBD

K Lithgo, T Price, MW Johnson - Gut, 2015

PTU-064 Trends in Mortality for IBD Patients Admitted as an Emergency to English Hospitals: A 10-Year Analysis of Routine Administrative Data

M Shawihdi, R Driscoll, M Pearson, F Cummings, S Bloom, P Williamson, K Bodger - Gut, 2016

PWE-143 Development of Informatics Tools for The UK IBD Registry Using Routine Data: Profiling of National-Level Hospital Activity for IBD Patients in England

M Shawihdi, A Osborne, E Devonport, R Driscoll, F Cummings, S Bloom, P Williamson, K Bodger - Gut, 2016

Biosimilars and inflammatory bowel disease: A switch programme using CT-P13

C Underhill - The Pharmaceutical Journal, 2016 - pharmaceutical-journal.com

PTH-096 Improved outcomes of emergency admission for ulcerative colitis (UC) in England over the last decade: a ten year analysis of routine NHS data

M Shawihdi, S Dodd, R Grainger, S Bloom, F Cummings, R Driscoll, M Pearson, P Williamson, K Bodger - 2017

PTU-055 Interim data and experience in the IBD anaemia service evaluation project - a new role for the IBD registry

AC Silva, W Waddingham, D Oliver, P Knight, M Johnson, S Bloom, S Magwenzi, C Munro, F Cummings - Gut, 2017

PTH-090 Monitoring unplanned care and surgical events for Crohn's disease patients treated with biologics in England: linkage of routine administrative data and UK IBD registry

M Shawihdi, R Driscoll, S Bloom, F Cummings, S Grainger, M Johnson, K Pearson, K Bodger - Gut, 2017

Development of a nurse-led paediatric inflammatory bowel disease service

K Crook - Gastrointestinal Nursing, 2017

PTH-091 Clinical outcomes of a personalised approach to the management of thiopurine drug therapy

R Powney, S Rajagopal, K Lithgo, T Price, D Housley, M Johnson - Gut, 2017

OTU-008 Growth in participation, registrations and data maturity in the UK IBD registry: focus on biologics

M Shawihdi, V Razanskaite, F Cummings, S Bloom, K Bodger - 2018

OTU-028 Benchmarking of activity, process and outcome of emergency admission for ulcerative colitis across English hospitals

M Shawihdi, S Dodd, D Appelbe, P Dixon, R Grainger, F Cummings, S Bloom, K Bodger - 2018

PWE-038 Outcomes of an anaemia service evaluation using the IBD registry

W Waddingham, L McCluskey, B Crooks, V Davies, S Dharmasiri, A Castro Silva, K Haukenes, J Abbott, D Oliver, P Knight, M Johnson, S Bloom, F Cummings - 2018

Nationwide improvement in outcomes of emergency admission for ulcerative colitis in England, 2005-2013

M Shawihdi, S Dodd, C Kallis, P Dixon, C Kallis, P Dixon, R Grainger, S Bloom, F Cummings, M Pearson, K Bodger – Alimentary Pharmacology & Therapeutics, 2019

An integrated approach to e-health, data collection and patient-reported outcomes in inflammatory bowel disease

P Avery - Gastrointestinal Nursing, 2019

PTH-126 audit of biological therapy for inflammatory bowel disease: results from the UK IBD registry

M Shawihdi, F Cummings, S Bloom, K Bodger - Gut, 2019

N07 Patient reported outcome measures collected from patients using a digital tablet: early benefits

P Avery, K Blackmore, C Angel - Journal of Crohn's and Colitis, 2020

PMO-37 COVID-19 impact on care and prescribing for inflammatory bowel disease: Data from the IBD Registry

Keith Bodger, Stuart Bloom, Liz Dobson, Fraser Cummings, Stephen Grainger, N Kennedy, UK IBD Registry Collaboration - 2021

P87 The IBD Registry as a platform for steroid therapy audit: time trends in treatment duration

M Shawihdi, S Miles, L Dobson, F Cummings, S Bloom, S Grainger, K Bodger – 2021

O28 Factors associated with preferences for in-person versus remote consultations for IBD: a UK-wide online survey

K Bodger, F Taylor, E Dobson, J Bunn, S Grainger, F Cummings, S Bloom, N Kennedy - Gut, 2022

IBD Biological Therapies Audit–Annual report 2023

S Bloom - ibdregistry.org.uk

SA19 Biologics Sequencing in Clinical Units (BISCUITS): UK IBD Registry Agile Research

G Bartalucci, F Taylor, C Gleave, L Dobson, K Bodger, S Dodd, S Bloom, A Passey, R Nissinen, D Wirth, A Duva, J Lee, F Cummings - Value in Health, 2023

Establishing key performance indicators for inflammatory bowel disease in the UK

MN Quraishi, E Dobson, R Ainley, S Din, R Wakeman, F Cummings, S Sebastian, S Bloom, J Limdi, A Dhar, R Speight, K Bodger, N Kennedy, BSG IBD Section members, C Lamb, I Arnott, C Selinger – Frontline Gastroenterology, 2023

P63 Validation of the IBD-control questionnaire across different demographic, socioeconomic and clinical subgroups: analysis of a large-scale nationwide survey

G Gebeyehu, F Taylor, E Dobson, S Bloom, N Kennedy, P Christiansen, K Bodger – Gut, 2023

Validation of the IBD-Control Questionnaire across different sociodemographic and clinical subgroups: Secondary analysis of a nationwide electronic survey

G Gebeyehu, F Taylor, L Dobson, F Cummings, S Bloom, N Kennedy, P Christiansen, K Bodger - Journal of Crohn's and Colitis, 2023

DOP50 PINPOINT: The epidemiology of paediatric-onset Inflammatory Bowel Disease in the United Kingdom – a prospective, national, cohort study

P Henderson, L Dobson PINPOINT Collaborators and the IBD Registry – Journal of Crohn's and Colitis, 2024

P984 VEST: The UK vedolizumab real life experience study in Inflammatory Bowel Disease

K Bodger, C Booker, K Kok, A Lobo, T Ahmad, S Bloom, J Butterworth, P Irving, F Cummings on behalf of the VEST investigators – Journal of Crohn's and Colitis, 2024

P245 Biologics Sequencing in Clinical Units (BISCUITS): Comparing outcomes in Crohn's disease patients on second-line biologics

G Bartalucci, F Taylor, C Gleave, L Dobson, K Bodger, S Dodd, S Bloom, A Passey, R Nissinen, D Wirth, D Andreas, J Lee, F Cummings BISCUITS Study Group – Journal of Crohn's and Colitis, 2024
